### Notification

4-1(10)/2012-13/5781

The following Scheme approved by the Government is published for the information of the general public:—

“Scheme for Incentive to Green Fodder Cultivation for Perennial and Seasonal Fodder Development in the State”

### Introduction.—

The major constraint in the field of dairy development in the State of Goa is the lack of green fodder for the milch animals. The nutritive value of feed and fodder has a significant bearing on productivity of livestock, as such a provision of green fodder for feeding milch animals is very essential. Keeping this in view fodder development has been made an integral part of livestock development.

In the present scheme the subsidy has been enhanced from Rs. 40,000/- per hectare up to Rs. 65,000/- per hectare, and provides irrigation assistance to take up perennial green fodder cultivation having water source. Provisions have also been made for purchase of implements like water pump, PVC pipes, sprinklers etc., with 75% subsidy on the total cost.

In order to cultivate perennial green fodder, farmers can avail tussocks free of cost from Government Livestock Farm, Dhat, Mollem, Cattle Breeding Farm, Coperdem and Fodder Seed Production Farm, Kalay.

*Objective of the Scheme.—*

(1) To increase green fodder production and make available the various hybrid varieties of green fodder to the farmers for feeding to milch animals in order to increase the milk production and make the State self-sufficient in milk.

(2) To stress upon the farmers the importance of feeding nutritive green grass and encourage them to stop the primitive practices of feeding only dry paddy straw.

(3) To reduce the cost of feeding thereby reducing cost of milk production.

(4) To reduce the inter calving period in order to promote one calf a year programme.

(5) To encourage the farmers/individuals to bring surplus barren land/unused agriculture land under cultivation, thereby giving them a source of income and helping them to reduce the unemployment problem in the State.

(6) To encourage utilization of land mass by farmers who do not own animals but could grow fodder as a cash crop.

(7) To make available green fodder to the livestock all the year round.

DTE/CAD/SLFSC/2012-13

Government of Goa has constituted State Level Fee Structure Committee under the Chairmanship of Retd. Justice Dr. Eurico Santan da Silva, vide Order No. DTE/CAD/SLFSC/2010-11/501 dated 17-02-2011.

The Committee has submitted its report to the Government of Goa and after consideration of the said report, Government is pleased to accept the same and approve the recommendations as given in Annexure for implementation.

By order and in the name of the Governor of Goa.

*Keshav Chandra*, Secretary (Technical Education).

Porvorim, 8th January, 2013.

**Recommendations**

For the purpose of laying down an appropriate scheme of Fee Structure, following parameters were recommended and adhered to:

(1) Instead of finalizing Fee Structure for the batches to be admitted in next 3 years, only the Fee Structure of batch to be admitted in the year 2012-13 is considered. The Fee Structure in respect of batches for years 2013-14 & 2014-15 to be decided later.

(2) Fees would not be uniform throughout the course duration, but there would be gradual, annual increase, which is moderate, reasonable and more acceptable.

(3) Fee Structure even in case of like Institutions (Engineering Colleges) would vary depending on services/facilities provided to students, and the related financial implications, and hence need not be uniform.

(4) Institutions shall strive to develop appropriate infrastructure in order to provide quality Technical Education to the students, and recruit staff as per A.I.C.T.E. norms, and pay A.I.C.T.E. recommended pay scales.

(5) Institutions shall implement AICTE Tuition Fee Waiver Scheme, and other Fee Waiver/Scholarship Schemes of Central/State Government.

The Committee recommends that fees for various private Institutions in the State of Goa, in respect of batch of students to be admitted in the year 2012-13, shall be as specified in Annexure 'A'.
